# SO MUCH TO *Love*

You may know us as the gyms for women, but we are so much more than that. Our goal is to empower women to shine, by giving them the confidence they need to succeed in all they do.

More than a gym, we provide a holistic health, fitness and wellness experience for all women to feel comfortable, confident and connected.

That's another reason women love Fernwood - the community. Nothing beats the power of women supporting women, and that's why we've created this eBook, so you can learn more about what we offer, plus a FREE class pass for you and a friend.

Get to know some of Fernwood's most popular group fitness and wellness classes before giving one a go!

**ENJOY.**

# FITNESS

## CYCLE

- Pedal through a challenging mix of intervals, hill climbs and sprints for a great cardiovascular workout in our cycle class. Improved cardiovascular fitness, muscle strength, endurance and joint mobility are just some of the key health benefits you'll see from hopping on the bike.
- Cycling is a great low-impact workout with a myriad of health benefits when performed regularly, and is a great swap for the treadmill.

## ZUMBA

• Love to dance? Then you will love Zumba. Zumba is a Latin-inspired pre-choreographed group dance class, with easy to master moves and chart-topping hits. It's a fun and invigorating class that will have you sweating and smiling at the same time. Fernwood members love Zumba!

## STEP

- A high-energy class designed to tone legs, butts and thighs, and provide an awesome cardio workout at the same time. This one will certainly get the heart pumping and muscles moving.

# PREMIUM FITNESS

## FIIT30

This session is an additional paid Fernwood service

**FIIT30** is Fernwood's premium fitness high intensity interval training (HIIT), designed to deliver an intense full-body workout, in just 30 minutes. These specially designed HIIT sessions run in our dedicated **FIIT30** spaces, with a limited capacity per session so you can benefit from a small group training environment, with the added perk of having a dedicated personal trainer by your side to support proper technique.

It's high-intensity, small group training that targets your whole body. **FIIT30** is suitable for all fitness levels, with sessions taken by a qualified Personal Trainer and done in groups of 8-12.

## FIITRIGHT

This session is an additional paid Fernwood service

Welcome to **FIITRIGHT** – the supportive sister of FIIT30, which focuses on interval training in a guided session for women looking to build foundations of strength and functional movement. FIITRIGHT is a great option for women who have taken some time away from training, and would like to ease back into their workouts.

**FIITRIGHT** has all the benefits of **FIIT30** – small group training, experienced personal trainers, full body workouts – at a slightly lighter pace to support you to learn technique, form and posture, and ease into the exercises that are right for you. Our dedicated **FIITRIGHT** personal trainers will support you and offer variations to workouts to cater to your goals and fitness level.

The free class pass cannot be redeemed on FIIT30 and FIITRIGHT classes.

# WELLNESS

## PILATES

Pilates is an invigorating, strengthening and core-building group class for women who want to turn up the heat in their workouts. Each class will improve muscular and postural strength with an emphasis on challenging core muscles. We love a mat Pilates class at Fernwood and know the benefits of making time for Pilates classes in our regular workout routine.

## YOGA

A gentle group fitness yoga that will assist you to align, strengthen and promote flexibility in the body. Physically, yoga both stretches and strengthens the muscles and it helps to mobilize joints. All practices typically finish with total body relaxation pose – Savasana.

The relaxation aspects of yoga can help to physically relax not only our muscles but our nervous system, bringing our body into a restful state for better digestion and better sleep and restoration. Yoga has so many wonderful benefits, such as improving your strength, flexibility and mental wellbeing, just to name a few.

## BARRE

Suitable for beginners or those wanting a light-paced workout, barre provides the foundation to build aerobic fitness and muscle conditioning. You'll experience ballet-inspired moves, using a ballet barre, but don't worry, you don't need to be a dancer to enjoy this class.
